**Consultation June 2015 – Response form, please print and complete and then either:**

**Send to TOCT, Po Box 7755, Dorchester, DT1 9GQ, or**

**Scan in and email to [tolpuddleoctrust@btinternet.com](mailto:tolpuddleoctrust@btinternet.com)**

**Please use one tick/cross for each question in the box responding to your view**

	Strongly agree	Agree	Unsure	Disagree	Strongly disagree
The former chapel should be appropriately renovated and maintained for future generations					
The internal look and feel of the former chapel should be very simple and in keeping with its heritage					
Any extension/additional building on site should be linked to the former chapel but subservient in scale to the existing building					
Essential services and facilities such as furniture storage, toilet etc should be housed in an appropriate extension/additional building					
The former chapel should open during the daytime (say 10-4) as a <b>'quiet place'</b> , free of charge					
The building should be available for other uses in the evenings, complementing the village hall					
Information about the history of the building should be displayed in the new extension/addition					
The story of the former chapel should be available on the existing Tolpuddle Martyrs Trail app and the TOCT website					

Please give us your thoughts  on the project and ideas  for future use
