The Tolpuddle Old Chapel Trust is seeking expressions of interest in joining its Board of Trustees.

We currently have two vacancies, following the retirement of the current Chair, Professor Philip Martin and Tobias Carleton-Prangnell who have served for six and two years respectively.

The Old Chapel is entering an exciting new phase, as it establishes its place in Tolpuddle and the wider community following the completion of restoration in 2023.

At present the Old Chapel is open to visitors on one day each week from April to September and a number of local groups use the Old Chapel's facilities on a regular basis. We have a growing team of volunteers to help run the Old Chapel's activities day to day.

We are keen to hear from anyone sympathetic to heritage buildings who would be interested in joining the existing trustees to help shape and further develop the Old Chapel's potential.

We are particularly interested in hearing from anyone who is able to offer business development expertise, charity governance experience or marketing skills, although all applications will be welcomed.

Trustees meet formally four times a year either in person or remotely.

Find out more about what being a Charity Trustee involves [here](#).

To express an interest in this opportunity please send a short written statement with your CV, outlining your background and experience and explaining why you are interested in becoming a TOCT trustee.

Interviews will be held at the Chapel in w/c 21st April.
